

The Associate Professor Ragna Lorentzen Foundation

Budget form for applicants not living in Denmark at the time of the application

The budget must include information on household property/capital and expected monthly income and expenses during the grant period (you can apply for a maximum of one year at a time)

Applicant

Name*:

Members of household (in this context, the members of your household are people with whom you share a substantial proportion of income and/or expenses, i.e. a lodger will probably not - according to this definition - be part of your household, just like a co-habitant in a co-housing scheme will not count as a member of your household if you do not pool resources, but pay a set amount to cover shared costs):

No. of adults, including applicant*:

No. of children*:

Age of children:

Household property/capital	Amount in DKK	Comments (if any)
Real estate - official valuation, cf. tax return
